

DX-H5000 DesktopLCD 19

19" BRILLIANCE LCD MONITOR

The 19" Brilliance LCD Computer Monitor is changing the way people display computer signals. It's amazing build quality and high precision design means you get the best possible computer picture for the best possible price. It delivers crystal-clear images with mind-blowing video. The bottom-line is simple, this Monitor offers Full HD resolution with 240Hz refresh rate. A thin frame design with super thin profile makes mounting this Monitor a breeze. This super-smart remote includes a built-in keypad for straightforward channel surfing when connected to a video source. The remote is also backlit so you can easily change channels in the dark. The 19" Brilliance LCD Computer Monitor also includes four video input options so you can display any video signal with ease.
