

DX-B6000 SuperPlasma 65

65" SUPER MASSIVE PLASMA TV

The 65" DevAV SuperPlasma TV is changing the way people watch TV. It's amazing build quality and high precision design means you get the best possible picture for the best possible price. It delivers crystal-clear images with mind-blowing video. The bottom-line is simple, this TV offers 1080p Full HD output with 120Hz refresh rate. A thin frame design with super thin profile makes mounting this TV a breeze. This super-smart remote includes a built-in keypad for straightforward channel surfing. The remote is also backlit so you can easily change channels in the dark. The 65" DevAV SuperPlasma TV also includes six video input options so you can display any video signal with ease.
